## PERSONAL PROFILE

I am 32-year-old female living in Helsinki. I am studying my last year in Metropolia University of Applied Sciences and looking for a job that matches my studies.

I really like coding and I'm into front-end-coding and UI. Visuality and details are important to me.

## IT SKILLS

I have studied:

- HTML, CSS, JavaScript
- Java
- Python
- Kotlin
- Unity
- C, C#, C++
- MySQL

I also have very good knowledge and working experience of Microsoft Office.
